'If you believe it, you can achieve it'

Friday 9th February 2024

Dear families,

There has been lots of learning happening this week....

Highlights this week:

This week we celebrated Safer Internet Day! Children across school learnt how to stay safe online, and what to do if they see something upsetting. We discussed that if this happens, they should Stop! Close! Tell! - stop what they are doing, close the app, tab or pop up and tell a trusted adult.

Thank you to the parents who also joined us for an Online Safety workshop to learn how to help keep their children safe online, and how to start conversations about keeping safe.

This week has been Children's Mental Health week. The School Council have been thinking about ways they can support each other if someone is worrying about something.

Next Thursday afternoon, we would like to invite you to our 'Learning Showcase'. This will be an opportunity for your child/ren to share their learning with you. Please see the poster for the times.

A reminder that school is closed to pupils next Friday (it is INSET day); we return to school on Monday 26th February.
